EXHIBIT A – US IGA DEFINITIONS

Account Holder means the person listed or identified as the holder of a Financial Account by the Financial Institution that maintains the account. A person, other than a Financial Institution, holding a Financial Account for the benefit or account of another person as agent, custodian, nominee, signatory, investment advisor, or intermediary, is not treated as holding the account for purposes of this Agreement, and such other person is treated as holding the account. For purposes of the immediately preceding sentence, the term “Financial Institution” does not include a Financial Institution organized or incorporated in a U.S. Territory. In the case of a Cash Value Insurance Contract or an Annuity Contract, the Account Holder is any person entitled to access the Cash Value or change the beneficiary of the contract. If no person can access the Cash Value or change the beneficiary, the Account Holder is any person named as the owner in the contract and any person with a vested entitlement to payment under the terms of the contract. Upon the maturity of a Cash Value Insurance Contract or an Annuity Contract, each person entitled to receive a payment under the contract is treated as an Account Holder.

Active Non-Financial Foreign Entity means any NFFE which is a Non U.S. entity that meets any of the following criteria:

- (a) Less than 50 percent of the NFFE’s gross income for the preceding calendar year or other appropriate reporting period is passive income and less than 50 percent of the assets held by the NFFE during the preceding calendar year or other appropriate reporting period are assets that produce or are held for the production of passive income;
- (b) The stock of the NFFE is regularly traded on an established securities market or the NFFE is a Related Entity of an Entity the stock of which is traded on an established securities market;
- (c) The NFFE is organized in a U.S. Territory and all of the owners of the payee are bona fide residents of that U.S. Territory; (d) The NFFE is a non-U.S. government, a government of a U.S. Territory, an international organization, a non-U.S. central bank of issue, or an Entity wholly owned by one or more of the foregoing;
- (e) substantially all of the activities of the NFFE consist of holding (in whole or in part) the outstanding stock of, and providing financing and services to, one or more subsidiaries that engage in trades or businesses other than the business of a Financial Institution, except that an NFFE shall not qualify for this status if the NFFE functions (or holds itself out) as an investment fund, such as a private equity fund, venture capital fund, leveraged buyout fund or any investment vehicle whose purpose is to acquire or fund companies and then hold interests in those companies as capital assets for investment purposes;
- (f) The NFFE is not yet operating a business and has no prior operating history, but is investing capital into assets with the intent to operate a business other than that of a Financial Institution; provided, that the NFFE shall not qualify for this exception after the date that is 24 months after the date of the initial organization of the NFFE;
- (g) The NFFE was not a Financial Institution in the past five years, and is in the process of liquidating its assets or is reorganizing with the intent to continue or recommence operations in a business other than that of a Financial Institution;
- (h) The NFFE primarily engages in financing and hedging transactions with or for Related Entities that are not Financial Institutions, and does not provide financing or hedging services to any Entity that is not a Related Entity, provided that the group of any such Related Entities is primarily engaged in a business other than that of a Financial Institution; or
- (i) The NFFE is an “excepted NFFE” as described in relevant U.S. Treasury Regulations; or
- (j) The NFFE meets all of the following requirements:
 - i) It is established and maintained in its country of residence exclusively for religious, charitable, scientific, artistic, cultural, athletic or educational purposes; or it is established and operated in its jurisdiction of residence and it is a professional organization,

iv) The applicable laws of the Entity's country of residence or the Entity's formation documents do not permit any income or assets of the Entity to be distributed to, or applied for the benefit of, a private person or non-charitable Entity other than pursuant to the conduct of the Entity's charitable activities, or as payment of reasonable compensation for services rendered, or as payment representing the fair market value of property which the Entity has purchased; and

v) The applicable laws of the Entity's country of residence or the Entity's formation documents require that, upon the Entity's liquidation or dissolution, all of its assets be distributed to a governmental entity or other non-profit organization, or escheat to the government of the Entity's jurisdiction of residence or any political subdivision thereof.

The term 'Controlling Persons' shall be interpreted in a manner consistent with the Financial Action Task Force Recommendations ("FATF").

Identify the beneficial owners of the customer and take reasonable measures to verify the identity of such persons, through the following information. For legal persons¹⁷:

(a) The identity of the natural persons (if any – as ownership interests can be so diversified that there are no natural persons (whether acting alone or together) exercising control of the legal person or arrangement through ownership) who ultimately have a controlling ownership interest¹⁸ in a legal person; and

(b) to the extent that there is doubt under (a) as to whether the person(s) with the controlling ownership interest are the beneficial owner(s) or where no natural person exerts control through ownership interests, the identity of the natural persons (if any) exercising control of the legal person or arrangement through other means.

(c) Where no natural person is identified under (a) or (b) above, financial institutions should identify and take reasonable measures to verify the identity of the relevant natural person who holds the position of senior managing official.

Entity means a legal person or a legal arrangement such as a trust.

Exempt Beneficial Owners under the US IGA include Government entities, International Organisations, Central Bank, Broad Participation Retirement Funds, Narrow Participation Retirement Funds, Pension Funds of an Exempt Beneficial Owner, and Investment Entities wholly owned by Exempt Beneficial Owners. Please refer to the IGA for detailed definitions.

Financial Institution means a Custodial Institution, a Depository Institution, an Investment Entity, or a Specified Insurance Company, where:

(a) **Custodial Institution** means any entity that holds, as a substantial portion of its business, financial assets for the account of others. An entity holds financial assets for the account of others as a substantial portion of its business if the entity's gross income attributable to the holding of financial assets and related financial services equals or exceeds 20 percent of the Entity's gross income during the shorter of: (i) the three-year period that ends on 31 December (or the final day of a non-calendar year accounting period) prior to the year in which the determination is being made; or (ii) the period during which the entity has been in existence;

¹⁷ Measures (a) to (b) are not alternative options, but are cascading measures, with each to be used where the previous measure has been applied and has not identified a beneficial owner.

¹⁸ A controlling ownership interest depends on the ownership structure of the company. It may be based on a threshold, e.g. any person owning more than a certain percentage of the company (e.g. 25%)
